The Wobbly Waitress May 31 2022 Pop in to the Zoo Café for a sandwich or two and meet the waitress, Mabel, and her friends. Mabel is one of the best waitresses you'll ever meet, but today there's a problem . . . Mabel has the hiccups! And suddenly, spaghetti and meatballs are flying and ice cream sundaes are tumbling everywhere, and the customers are not pleased! Will her friends find a way to cure Mabel's hiccups and save the day? Full of zest and humor, this rhyming book will have fans young and old laughing out loud.

Wibble Wobble, My Loose Tooth Jan 15 2021 An award-winning story about losing your very first tooth All William wants in the whole wide world is a wobbly tooth. When he gets one, he just can't stop jiggling and wiggling it! But then William's tooth falls out at school. How will he keep it safe until he gets home? If you have a wobbly tooth, or if you just want one, this bright, funny story is for you!

The Wobbly Kings of England Oct 31 2019 England's history has been as exciting as it has been unstable. The poshies who ruled back in medieval times were a pretty wobbly bunch, and

didn't give a monkey's whotsit for the sweaty peasants. With war, assassinations, plots and some shady characters, British history sure is chaotic! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 16.0px Helvetica; color: #515151; -webkit-text-stroke: #515151} span.s1 {font-kerning: none} If you want to know who did what, when and why in English history, but don't reckon much on the heavy, academic stuff, then this is the book for you! It'll give you a pretty detailed account of the reigns of a lot of English monarchs. There's a bit of information, too, about the actions of the less important guys, the earls and posh people like that, who frequently claimed that they could do a better job of running the show than the bloke on the throne. Read it all in this accessible and digestible account of the wobbly British bunch!
William Wobbly and the Mysterious Holey Jumper Aug 10 2020 William Wobbly is having lots of wobbly feelings one morning but his mum is so busy that she doesn't notice. William

Wobbly's worries worsen when he notices small changes at school. "Where's my real teacher?!" he wonders. He hides under his desk and he chews holes into his jumper, but even that doesn't take the wobbly feelings away. Luckily, his mum is here to help him cope when he's afraid. Written by a mum who understands, and her daughter (who used to have a lot of wobbly feelings), this is a story for children aged 3-10 with problematic coping habits.

Billy Brush Your Teeth Aug 22 2021 Billy is a six-year-old boy who has a great imagination. He loves to play and sometimes daydreams with funny results. Billy forgets to brush his teeth but learns an important lesson. Pamela Malcolm has created the perfect tale to read with any child who tries to avoid brushing their teeth. With memorable illustrations and an important message, *Billy Brush Your Teeth* is a wonderful bedtime story that will be treasured by children and parents alike

Dinky Dino Mar 17 2021

Jelly Has a Wobble Jan 03 2020 Funny, cheeky and crammed full of brilliant illustrations, *Jelly Has a Wobble* is the second book in the lively *Turning to Jelly* series by author and illustrator, Candy Guard. Jelly, Myf and Roobs have an exciting summer ahead. Not only are they going to be bridesmaids, but they're going to see OMG live in concert! They just need to find a not-stupid way to get enough money for the concert tickets first. Then they have to become totally pro street dancers so they can fulfil Jelly's mum's wedding dream. And then there's the small issue of Jelly not embarrassing herself in front of Roger Lovely, which is quite hard with a name like Jelly . . . Hilariously honest accounts of an ordinary tween girl's life, for fans of *Dork Diaries*, *Tom Gates* and *Diary of a Wimpy Kid*. *Wibbly Wobbly Street* Jul 29 2019 Squareton's streets are straight, smooth and wide-except *Wibbly Wobbly Street*. It winds up and down, in and out, right and left and everywhere in between. It's a peculiar street full of peculiar

happenings! It is the most unusual street in dull Squareton-and the town councillors don't like it at all. Can they straighten it out?

The Queen with the Wobbly Bottom May 19 2021 Although all her animal subjects love their beautiful hippopotamus queen, she is sure they are making fun of her wobbly bottom, and offers an increasing reward for a solution, but nothing seems to work.

The Wobbly Piano. Nov 12 2020 10-Minute Tales are specially designed to be read aloud, and include a short version of the text that allows children to read along with the story. There's a concert at the school, and Postman Pat must get a musical special delivery there on time. Can Postman Pat prove that the Special Delivery Service always gets through?

Willy and the Wobbly House Jan 27 2022 This is a story for children who are anxious or obsessional. Willy is an anxious boy who experiences the world as a very unsafe, wobbly place where anything awful might happen at any

time. Joe, the boy next door, is too ordered and tidy to be able to ever really enjoy life. Follow their adventures with the Puddle People who help them break out of their fixed patterns and find far richer ways of living in the world.

Bear and the Wobbly Tooth Sep 22 2021 Bear doesn't want to lose his wobbly tooth. Until he finds out about the Tooth Fairy, that is!

The Story of Wobbly Willie Cranford Jun 07 2020 The story of Wobbly Willie Cranford is an encouraging story about ten year old bi-racial boy who learns to embrace his round figure, beautiful personality and contagious demeanor, as he gains confidence and courage to show the people of Walking Straight something special.

Snackasaurus! Jun 19 2021

Oxford Reading Tree: Stage 2: More Stories B: The Wobbly Tooth May 07 2020 The Stage 2 Biff, Chip and Kipper Stories provide humorous storylines to engage and motivate children. The popular characters and familiar settings are brought to life by Roderick Hunt and Alex

Brychta. The stories are unchanged from the previous edition but the cover notes have been updated to support adults in sharing the story with the child.

A Wobbly Life Jul 21 2021 Through personal letters and narrative, A Wobbly Life details the life, imprisonment, and eventual freedom of one of the last and most important Industrial Workers of the World voices.

The Wobbly Tooth Feb 13 2021 Oxford Reading Tree remains the nation's favourite reading scheme and countless children have learnt to read with Biff, Chip, and Kipper. We are delighted to unveil its fresh new look for today's children, teachers and parents, with lively new covers and fresh artwork. Engaging new artwork and covers Alex Brychta's unique style of artwork enthral and entertains children, and the fresh new look will heighten their pleasure in reading the stories. With freshly drawn artwork for all the favourite core stories at Stages 2 - 5 and fantastic new covers, Oxford

Reading Tree is more appealing than ever! Stories children love The Oxford Reading Tree stories have always captivated children's imagination, inspiring them to read - and the stories and characters in the new editions haven't changed at all. Apart, that is, from an exciting new story at Stage 3, The Egg Hunt, which replaces the Dolphin Pool. Simplified structure We have also simplified the structure of the scheme in response to feedback from you: Owls Storybooks become Stages 6 and 7 Storybooks; magpies become Stages 8 and 9 Storybooks; wrens at Stage 2 have become patterned stories at Stage 1+; and wrens at Stage 3 are now patterned stories at Stage 2. New teaching support material In addition to the existing guided reading cards, perfect for use in guided reading sessions, we have brought out new teaching materials to reflect the needs of teachers in today's classroom: DT Flexible, friendly teacher's notes included FREE with each pack of Oxford Reading Tree books - these

are easy to store and will save you hours of preparation! DT New Take-Home cards for every Storybook from Stages 1 - 9 to help parents or carers get the most out of reading with their child DT Free resources website at www.oup.com/uk/primary with downloadable photocopy masters DT New Teacher's Handbook and special edition for Scotland

Titchy Witch And The Wobbly Fang Mar 05

2020 Titchy-witch has a wobbly fang, but it won't come out on its own. So she decides to give it a little bit of help...using magic! Don't miss the rest of the Titchy-witch series, now reissued in a smart new livery.

[Making Your Way](#) Sep 30 2019 - Debunks 15 common myths that hold people back in achieving success in their careers and life goals - This is the book the authors (one a business school dean, the other a business school professor) wish they had when they were starting their careers - Advice based on years of teaching, professional testimonials, and the

latest academic research - Will appeal to readers of Lean in (Sheryl Sandberg), Thrive (Arianna Huffington) and Nice girls don't get the corner office (Lois P. Frankel) What does success mean? Is it just climbing the ladder? Does the perfect job exist? Do you have to plan everything in advance, preferably before your 30th birthday? And what about that work-life balance? Making important career and life choices is a struggle for many people. In this book, the authors examine 15 persistent myths and popular beliefs that hold us back, and share valuable tips based on their own experiences, outsider testimonials, and academic research. This is the book the authors, both business school professors, wish they could have read before they started their own careers. "We often meet people with amazing potential, who don't realize that potential because of some limiting beliefs they have about what a career and happiness should look like. We want to encourage people to set themselves free from

such myths and pursue their dreams with confidence." - the authors.

Memoirs of a Wobbly Aug 29 2019 Published here for the first time, this lively narrative by old-time Wobbly Henry McGuckin (1893-1974) is not like any other book on the Industrial Workers Of The World. Although 'Mac' knew and worked with many of the best-known Wobblies - Big Bill Haywood, Elizabeth Gurley Flynn, Frank Little and others - his purpose here is not to discuss prominent personalities or world-famous events, but rather to tell of the unsung tens of thousands of militant working men and women who, in the 1910s, made the IWW one of the grandest labor organizations the world has ever seen. Here at last is the Wobblies' inside story: how they lived and worked and hoboed; how they organized; how they ran their legendary strikes and free-speech fights; how they went about 'fanning the flames of discontent' each and every day all across America. Packed with invaluable firsthand information unavailable

anywhere else, this splendid, compact chronicle of a rank-and-filer's exciting adventures fighting for working class emancipation takes its place among America's labor classics. Also included are a 1914 article by McGuckin from the International Socialist Review, and a sketch of the author's later life by his son, Henry McGuckin Jr.

The Old, The Mad and the Wobbly Nov 24 2021 A kitten is a kitten, but each mature cat is unique. Shaped by experience - good and bad - cats are survivors, whether they have wrestled with the dark forces of nature or nothing more demanding than securing the most comfortable billet on the sofa. Older cats are not afraid to be themselves - not that there's ever any real danger of cats worrying what anybody thinks. Mature cats have had years to grow into their ears and even if their ears don't hear too well, those cats still have plenty to say. Author Heather Cook spent 30 years as the homing officer for Woking Branch of Cats Protection and

this has afforded her an endless supply of cats that could variously be described as "past their sell-by date", "off-the-wall" or "damaged". This book documents the special felines who have taken up residence at her home (Tresta Towers). "Some of these have presented me with significant challenges, but there is no such thing as a bad cat. I believe that animals react to outside stimuli, favourable or unfavourable, in order to survive," says Heather. Madness happens: in cats as in people. It can take the form of harmless eccentricity, dementia or out and out psychosis. In cats it can be a rather attractive quality, only necessitating the wearing of protective clothing in extreme cases. Think of kittens racing round a room at head height, their tails like loo brushes and their ears like helicopter blades. They start off bonkers and it can only get worse. Some cats are born wobbly, some achieve wobbliness and some have wobbliness thrust upon them, by illness or accident. If you love cats, you will love this book.

The cats featured are very special and have overcome any number of problems to survive. This is not a dreary book, however, as cats are by nature humorous creatures and there are many amusing incidents along the way. All the stories are true and all the cats are very real indeed.

My Wobbly Tooth Must Not Ever Never Fall Out Apr 29 2022 At first, Lola does not want her wobbly tooth to ever fall out, but when she learns about the tooth fairy, she wiggles and wobbles her tooth until out it pops! Finally it is time to go to bed—but the tooth has disappeared! Now how will Lola convince the tooth fairy that she really did lose her tooth? Big brother Charlie has just the answer—if Lola has dreams so lovely that she smiles while she sleeps, the tooth fairy will be able to see for herself!

Maisy, Charley, and the Wobbly Tooth Nov 05 2022 On his first trip to the dentist, Charley gets lots of moral support from Maisy and

friends in a full-length story readers will be eager to sink their teeth into. (Age 2-5). Maisy's friend Charley has a wobbly tooth! He's going to the dentist for the first time, and he's a little nervous. Luckily, Maisy, Tallulah, Eddie, and Cyril are happy to accompany their toothy friend to the dentist's office, where they make some fun discoveries: a twirly chair that goes up and down, a special cup to spit in, and a proper tooth-brushing demonstration. Charley gets an x-ray, a smiley button, and a book to take home, but what will happen with his wobbly tooth?

The Wobbly Bobbly Balls Dec 14 2020

Wanda Witch and the Wobbly Fang Jul 09 2020

Wanda Witch is annoyed by her wobbly fang until she learns about the Fang Fairy, who will bring a surprise when the fang falls out, and then she decides to use magic to lose all of her fangs at once. Original.

Maisy, Charley, and the Wobbly Tooth Aug 02 2022 On his first trip to the dentist, Charley gets lots of moral support from Maisy and friends in a

The Whatif Monster Chapter Book Series

Apr 05 2020 Every kid in Mrs. Thomas' second grade class has to read a paragraph they wrote out loud. Which doesn't seem so scary - unless you're like Sebastian. When Sebastian reads, the words bounce and dance on the page and get all mixed up. Maybe with the help of the Whatif Monster and some new friends, he can overcome his fears and read out loud. A perfect read aloud with a parent or a perfect book for a beginning reader. d104 set in a dyslexic-friendly font.

Little Chipmunk's Wiggly, Wobbly Tooth Oct 12 2020 Little Chipmunk is proud of his front teeth and takes very good care of them, so when one becomes loose he is embarrassed and tries to keep anyone from noticing.

The Wobbly Bobbly Balls Dec 02 2019 When a pile of rubbery balls appears and Mr. Man chances upon them, he decides he wants them all, but discovers there are too many for him to carry.

Marge and the Wobbly Onkey Dec 26 2021

Lollipop and Grandpa and the Wobbly Tooth

Feb 25 2022 Grandpa has really lost the plot this time... Lollipop has her first wobbly tooth: a wibbly-wobbly, bibbly-bobbly tooth that's coming loose. It wobbles and wobbles, but it just won't come out. Luckily, Grandpa has come up with several ingenious ideas for sorting out wobbly teeth. But when his plans involve a tug-of-war match, a grumpy woodpecker and a hovering elephant, even Lollipop has to admit that Grandpa might have lost the plot this time...
AUTHOR: Penelope Harper is a former radio presenter and school librarian. Lollipop and Grandpa are her first children's books, inspired by her relationship with her own grandfather. Cate James is an Edinburgh-based illustrator and printmaker. REVIEWS: "Wit is shared equally between illustrations and text here as young Lollipop is given a guided tour of her Grandpa's garden. Because the old man is a good sport innocuous objects like hose pipes or clothes lines are described by him as savage animals, each of

which has the power to do terrible things to Lollipop unless she can tiptoe past them. This strategy works, but when the intrepid two finally return to the safety of indoors there is one more surprise to come. Cate James's cartoon figures signal from the first that this is all going to be good fun and Penelope Harper's text is a joy to read. Well done both!" -Carousel Magazine "I love this series for its evocation of the wonderful relationship that can exist between grandfather and grandchild. If you are a grandparent, get a copy and share it with your grandchild. When Lollipop finds her first wobbly tooth, mischievous Grandpa is full of good ideas to help get it out... a tug-o'war, a woodpecker and an elephant. What is Grandpa thinking of? Great fun and Cate James' illustrations depict the relationship beautifully." -Parents In Touch

Experience Jul 01 2022 Martin Amis is one of the most gifted and innovative writers of our time. With *Experience*, he discloses a private life every bit as unique and fascinating as his bestselling novels. The son of the great comic novelist Kingsley Amis, Martin Amis explores his relationship with this father and writes about the various crises of Kingsley's life. He also examines the life and legacy of his cousin, Lucy Partington, who was abducted and murdered by one of Britain's most notorious serial killers. *Experience* also deconstructs the changing

literary scene, including Amis' portraits of Saul Bellow, Salman Rushdie, Allan Bloom, Philip Larkin, and Robert Graves, among others. Not since Nabokov's *Invitation of a Beheading* has such an implausible life been recorded by such an inimitable talent. Profound, witty, and ruthlessly honest, *Experience* is a literary event.

Ben Fletcher Feb 02 2020 This book tells the story of one of the greatest heroes of the American working class movement. In the early 20th century, when many U.S. unions disgracefully excluded black and Asian workers, the Industrial Workers of the World warmly welcomed people of color, in keeping with the Wobbly emphasis on class solidarity and the motto: "An Injury to One is an Injury to All!" The great African American Wobbly organizer, Benjamin Fletcher (1890-1949), was noted for his brilliant organizing ability and imaginative on-the-job strategies, as well as for his courage, humor, and excellent as a soapbox orator. Not surprisingly, he was one of the IWW's most

admired and best loved figures. Along with a biographical sketch of Fletcher, reminiscences by fellow workers who knew him well, and an impressive selection of Fletcher's own writings and speeches, Peter Cole also chronicles the ups and downs of the Philadelphia waterfront union in which Fletcher played such a leading role: Local 8 of the IWW's Marine Transport Workers Industrial Union.

The Wobbly Kids Oct 24 2021 A guide for teachers and parents full of strategies, resources and insight to help kids with learning differences and difficulties to thrive.

Belonging for People with Profound Intellectual and Multiple Disabilities Jun 27 2019 This book pushes the boundaries in the way we approach people with profound intellectual and multiple disabilities, and in how we work with them in education and research. While it is grounded in diverse theoretical frameworks and disciplines, the book coheres around a commitment to seeing people with profound intellectual and

multiple disabilities as equal citizens who belong in our classrooms, research projects and community lives. Each section covers policy contexts, key ideas and recent research. Featuring contributions from around the world, the book incorporates established and new voices, different disciplines and experiences. Additionally, it includes pieces from family members of people with profound intellectual and multiple disabilities. Divided into three parts, the book explores three main topics: Belonging in education Belonging in research Belonging in communities Belonging for People with Profound Intellectual and Multiple Disabilities is an invaluable resource for scholars, professionals and postgraduate research students with an interest in children or adults with profound intellectual and multiple disabilities.

La La Llamas! Apr 17 2021 Llamas love to sing all the time. They just can't stop! Shake the wobbly eyes and open and close the zipper

mouth as the musical llamas sing their way through this rhyming story book! Die-cuts on each page reveal the wobbly eyes and zipper mouths, and the fun story features lots of noisy words for readers to shout out on each page.

William Wobbly and the Very Bad Day Sep 03 2022 William Wobbly is having a very bad day.

He didn't want to go to school and when he got there things just got worse. The wobbly feeling got bigger and bigger and BIGGER until...

Something happened to William Wobbly when he was very little which makes it hard for him to understand or control his feelings. Luckily, his new mum is here to help with his wobbly feelings. Written by a mum who understands, and her daughter (who used to have a lot of wobbly feelings), this is a story for children functioning at age 3-10 who struggle with

sensory overload.

[The A-Z of Therapeutic Parenting](#) Mar 29 2022

Therapeutic parenting is a deeply nurturing parenting style, and is especially effective for children with attachment difficulties, or who experienced childhood trauma. This book provides everything you need to know in order to be able to effectively therapeutically parent. Providing a model of intervention, The A-Z of Therapeutic Parenting gives parents or caregivers an easy to follow process to use when responding to issues with their children. The following A-Z covers 60 common problems parents face, from acting aggressively to difficulties with sleep, with advice on what might trigger these issues, and how to respond. Easy to navigate and written in a straightforward style, this book is a 'must have' for all therapeutic parents.
